

# John Holmlund Nursery

Growers of Bareroot Shade,  
Flowering and Ornamental Trees

2017/2018

To Our Valued Customers,

Does it seem like yesterday that you opened the cover of last year's catalog to view what would be said, and we are here again?

Thank you for this past year's business and to so many of you for your years of trust in John Holmlund Nursery.

Reflecting on our past years of business with you, it becomes very evident of how blessed we are to have faithful customers and employees.

Looking forward to the future, we allow the past to channel our thoughts on how loyal you have been as customers and we will continue striving to be the same.

The positive change in demand for shade trees has made it difficult to meet all of your tree needs, which we regret. We are attempting to communicate with you as early as possible what we can supply.

The last two years have been a wonderful growing environment and our trees performed very well. This year's crop is primed for another excellent growing season and we are working to those ends.

Given the positive response to the demand in bagged trees, we are adding additional numbers in some varieties and attempting to grow other items that seem to perform well in the bags. If you are not aware of this product please contact your Account Manager for more information.

With great respect and thankfulness for you, I wish to say "thank you" once more.

Sincerely,

  
John Holmlund

**Undercut II (U/C)**

Select two-year trees, ideal for container growing, lining out or re-wholesaling. Undercutting produces a tree with a more compact head, and branch structure with closer internode spacing. Undercut trees require minimal pruning or shaping. Great for the homeowner and landscape markets.

**Grading Abbreviations**

BR	Branched trees	T/G	Top graft

**Acer** **Maple**

**Acer Campestre**

Tolerates wind, dry soil; adapts well to urban settings. Noted for its attractive corky bark during winter.

Fall color: Yellow  
Foliage: Dark green  
Height: 30 ft. by 30 ft.  
Shape: Dense and rounded  
Zone: 5

**Hedge Maple**

	50/up
5-6' branched	23.35
6-8' branched	27.30
1" caliper branched	30.60

**Acer x Freemanii**

**A. Freemanii**

Fast growing columnar selection. It is widely used for street planting where space demands a tree which will not spread.

Fall Color: Yellow to orange  
Foliage: Light green  
Height: 45 to 50 ft. by 15 ft.  
Shape: Narrow  
Zone: 4  
Own Root

**Freemanii Maple**

**Armstrong**

	50/up
1" caliper branched	36.40
1 1/4" caliper branched	42.85
6-7' whip	18.65
7-8' whip	20.15

**A. Freemanii 'Jeffersred' Autumn Blaze®**

*Royalty 1.00*

Characterized by its upright habit of growth and good crotch angles. Tolerant to drought conditions.

Fall Color: Orange to red  
Foliage: Light green  
Height: 50 ft. by 40 ft.  
Shape: Upright branching, oval  
Zone: 3  
Own Root

	50/up
6-8' branched	30.10
1" caliper branched	36.40
1 1/4" caliper branched	42.85
6-7' whip	18.65
7-8' whip	20.15
8-9' whip	21.55

**A. Freemanii**

*Royalty .70*

Very fast growing tree with outstanding crown development. Reliable and simultaneous ruby red color change in October.

Fall Color: Ruby red  
Foliage: Green  
Height: 50 ft. by 40 ft.  
Shape: Broadly oval  
Zone: 3  
Own Root

**Autumn Fantasy®**

	50/up
6-8' branched	30.10
1" caliper branched	36.40
1 1/4" caliper branched	42.85
6-7' whip	18.65
7-8' whip	20.15
8-9' whip	21.55

**A. Freemanii 'Celzam' Celebration®**

*Royalty .95*

A compact tree with a distinct pyramidal form. Strong crotch angles and limbs which resist breakage.

Fall Color: Red and gold hues  
Foliage: Green  
Height: 50 ft. by 25 ft.  
Shape: Upright, compact  
Zone: 4  
Own Root

	50/up
1" caliper branched	36.40
1 1/4" caliper branched	42.85
5-6' whip	17.70
6-7' whip	18.65
7-8' whip	20.15

**A. Freemanii**

More vigorous than Autumn Blaze®. A Chicagoland Grows® introduction.

Fall Color: Orange-orange red  
Foliage: Medium green  
Height: 55 ft. by 45 ft.  
Shape: Upright oval  
Zone: 3  
Own Root

**Marmo**

	50/up
6-8' branched	30.10
1" caliper branched	36.40
1 1/4" caliper branched	42.85
6-7' whip	18.65
7-8' whip	20.15
8-9' whip	21.55

**A. Freemanii**  
*'Sienna Glen'*

Royalty 1.00

A very hardy red maple from St. Paul Minnesota. Vigorous grower similar to Autumn Blaze but with more delicate appearance. Exhibits superior winter hardiness with no frost cracking.

Fall Color: Rusty orange to burgundy  
Foliage: Green  
Height: 50 ft. by 35 ft.  
Shape: Upright Pyramidal  
Zone: 3  
Own Root

**Sienna®**

	50/up
6-8' branched	30.10
1" caliper branched	36.40
5-6' whip	17.70
6-7' whip	18.65
7-8' whip	20.15

**Acer Ginnala**

Extremely hardy, small; known for its brilliant fall color. Transplants easily.

Fall Color: Orange to red  
Foliage: Medium green  
Height: 15 to 20 ft. by 20 ft.  
Shape: Low spreading, rounded  
Zone: 2

**(Amur Maple) Flame**

	50/up
6-8' branched	28.45
1" caliper branched	30.60
2-3' shrub	10.95
3-4' shrub	13.30
5-6' whip	16.40
6-7' whip	17.95

**Acer Palmatum**

**Japanese Maple**

**A. Palmatum**

**Bloodgood**

Deepest red color of all Japanese maples. Retains purple-red color throughout spring, summer and well into fall. Prefers partial shade.

Fall Color: Red  
Foliage: Purple-red  
Height: 20 to 25 ft. by 25 ft.  
Shape: Upright  
Zone: 5

	50/up
2-3' branched	40.65
3-4' branched	44.50
4-5' branched	51.70
5-6' branched	59.15

**A. Palmatum**  
*'Atropurpurem'*

**Ribbonleaf**

Similar to Acer palmatum foliage deep red throughout summer, changing to a dark red-green mix as fall approaches. Requires acidic, moist, well-drained soil, and protection from drying winds.

Fall Color: Purple to dark green  
Foliage: Red  
Height: 15 to 25 ft. by 20 ft.  
Shape: Low branched and upright  
Zone: 5 to 6

	50/up
3-4' branched	19.25
4-5' branched	21.85
5-6' branched	24.25

**Acer** **Maple**

**Acer Platanoides** **Norway Maple**

**A. Platanoides** **Columnare**

Compact growing tree with heavy dark green foliage. Useful where narrow, dense tree is desired.

	50/up
7 ft. 2 yr.	26.10
8 ft. 2 yr.	27.00
1" caliper branched	27.60
1 1/4" caliper branched	30.70
6-7' whip	15.60
7-8' whip	16.75
8-9' whip	19.15

**A. Platanoides 'Conzam' Conquest™**

*Royalty .75* 50/up

A columnar sport of Crimson King Maple. Dense upright branching. Starts the season with a brilliant maroon-red foliage lightening to a dark green as the season progresses.

Fall Color: Reddish bronze  
Foliage: Red-green  
Height: 35 ft. by 8 ft.  
Shape: Columnar  
Zone: 4

6-8' branched	31.40
1" caliper branched	35.25
1 1/4" caliper branched	41.05

**A. Platanoides** **Crimson King**

Rich maroon leaf of 'Crimson King' retained throughout the growing season. The most popular red leafed Norway Maple.

Fall Color: Reddish bronze  
Foliage: Deep purple  
Height: 40 ft. by 35 ft.  
Shape: Moderately globe shaped  
Zone: 4

	50/up
6-8' branched	31.40
1" It branched	33.85
1" caliper branched	35.25
1 1/4" caliper branched	41.05
<b>Topped at 60" / Ideal for 7 or 10 container</b>	
6-8' branched u/c	23.70
1" caliper branched u/c	25.60
5-6' whip	13.20
6-7' whip	15.60
7-8' whip	16.75

**A. Platanoides** **Crimson Sentry**

Bright red spring foliage, closely spaced leaves, dense appearance. Branching upright, forming tight, narrow columnar shape.

Fall Color: Reddish bronze  
Foliage: Deep purple  
Height: 25 ft. by 12 to 15 ft.  
Shape: Moderately columnar  
Zone: 4

	50/up
7 ft. 2 yr.	31.40
8 ft. 2 yr.	33.85
1" caliper 2 yr.	35.25
1 1/4" caliper 2 yr.	41.05

**A. Platanoides** **Deborah**

'Deborah', a stunning and strikingly beautiful cultivar. New unfolding foliage is brilliant red, as it matures, turns a vivid dark green. The leaf, with a somewhat ruffled margin, is more leathery in texture than most Norway Maples.

Fall Color: Gold  
Foliage: Red to green  
Height: 45 ft. by 40 ft.  
Shape: Broadly oval  
Zone: 4

	50/up
6-8' branched	25.90
1" caliper ft. branched	26.95
1" caliper branched	27.60
5-6' whip	11.85
6-7' whip	13.20
7-8' whip	13.75

A. Platanoides

Drummondii

Known as Silver Variegated Maple, attractive light green leaves, edged in white.

Fall Color: Yellow  
Foliage: Light green, white edge  
Height: 35 ft. by 25 ft.  
Shape: Moderately oval  
Zone: 4

	50/up
6-8' lt. branched	23.85
6-8' branched	25.90
1" caliper lt. branched	26.95
1" caliper branched	27.60

A. Platanoides 'Pond'

Emerald Lustre®

*Royalty .50*  
Noted for its vigorous growth and excellent branching habit. Foliage is large and glossy.

Fall Color: Yellow  
Foliage: Medium green  
Height: 45 ft. by 40 ft.  
Shape: Upright rounded  
Zone: 4

	50/up
6-8' branched	25.90
1" caliper lt. branched	26.95
1" caliper branched	27.60
6-7' whip	13.20
7-8' whip	13.75
8-9' whip	14.05

A. Platanoides

Emerald Queen™

Rapid growing tree. One of the finest Norway Maple cultivars.

Fall Color: Yellow  
Foliage: Red purple to green  
Height: 50 ft. by 40 ft.  
Shape: Broadly oval  
Zone: 3

	50/up
6-8' branched	25.90
1" caliper lt. branched	26.95
1" caliper branched	27.60
6-7' whip	13.20
7-8' whip	13.75
8-9' whip	14.05

A. Platanoides

Fairview™

Rapid growth with a straight growing form, full head and ascending branches. New foliage is dark red turning green as it matures.

Fall Color: Bronze  
Foliage: Reddish-matures to bronze-green  
Height: 45 ft. by 35 ft.  
Shape: Upright oval  
Zone: 4

	50/up
6-8' branched	25.90
1" caliper branched	27.60
1 1/4" caliper branched	30.70
5-6' whip	11.85

6-7' whip	15.60
7-8' whip	16.75

**Acer** **Maple**

**Acer Platanoides** **Norway Maple**

**A. Platanoides** **Superform**

Rapid growing Norway selection, noted for its straight trunk, heavy dark green foliage and uniform growth habit.

Fall Color: Yellow  
Foliage: Medium green  
Height: 45 ft. by 40 ft.  
Shape: Oval to rounded  
Zone: 3

	50/up
6-8' branched	25.90
1" caliper branched	26.95
1 1/4" caliper branched	27.60

**Acer Rubrum** **Red Maple**

**A. Rubrum** **Autumn Flame™**

A beautiful early red fall color. Smaller leaves than the species, and excellent rounded form.

Fall Color: Bright red  
Foliage: Medium green  
Height: 35 ft. by 35 ft.  
Shape: Dense Rounded  
Zone: 3  
Own Root

	50/up
6-8' branched	30.10
1" caliper branched	36.40

**A. Rubrum** **Brandywine**

A new release from the US Arboretum. A cross of October Glory and Autumn Flame, has performed extremely well in adaptability trials in the south, mid-west and east in zones 4-8. Adaptable to a wide range of soil conditions.

Fall Color: Red to purple  
Foliage: Medium green  
Height: 40 ft. by 30 ft.  
Shape: Oval  
Zone: 3  
Own Root

	50/up

 Foliage: Dark green  
 Height: 45 ft. by 35 ft.  
 Shape: Broadly oval  
 Zone: 3

**A. Saccharum Legacy®**

<i>Royalty .50</i>	50/up
Rapid growing with dense, heavy crown and outstanding foliage. Resistant to summer heat, free of leaf tatter.	6-8' lt. branched 27.20
	6-8' branched 30.10
	1" caliper branched 36.40
	5-6' whip 15.60
	6-7' whip 19.00
	7-8' whip 21.55

Fall Color: Red to pink  
 Foliage: Glossy dark green  
 Height: 50 ft. by 35 ft.  
 Shape: Moderately pyramidal  
 Zone: 3

*A. Saccharum 'Flax Mill' Majesty™*

Royalty .50

A distinct variety; straight central leader, abundance of branches forming dense symmetrically shaped head. Vigorous grower producing heavy caliper at an early age. Rather large leaves. Withstood 38° below zero, without cracking, and no sun scald.

Fall Color: Red to orange  
 Foliage: Dark green  
 Height: 50 ft. by 40 ft.  
 Shape: Broad and oval  
 Zone: 3

	50/up
6-8' branched	30.10
1" caliper branched	36.40
1 1/4" caliper branched	42.85
5-6' whip	15.60
6-7' whip	19.00
7-8' whip	21.55

*A. Saccharum 'Astis' Steeple®*

Royalty .75

Lustrous, dark green foliage even in late summer. High resistance to heat stress and leaf tatter extends range to areas where most sugar maples struggle. Attractive gray bark.

Fall Color: Yellow-orange  
 Foliage: Dark green  
 Height: 45 ft. by 20 ft.

 Flower: Pink  
 Foliage: Dark green  
 Height: 20 ft. by 20 ft.  
 Shape: Broadly glove-shaped  
 Zone: 4

**Crateagus Hawthorn**

Special Care of Hawthorns

To prevent delayed bud break of Hawthorn: The plants should be laid down and covered with packing material until they break bud. Temperature should be above that of refrigerated storage. Early planting in cold, wet soil and before bud break occurs may throw some or all of the trees into a “deep dormancy” that may last all summer. This condition combined with hot sun can result in fatal dehydration. Repeated cutting back of dried wood may help prevent loss. With repeat watering, trees usually leaf out in time.

Also, it is very important that the fine hair roots of Hawthorn not be allowed to dry even for a brief time before planting.

**Crateagus Crusgalli Crusader®**

<i>Royalty .50</i>	50/up
<b><i>crusgalli inermis cv. 'Cruzman'</i></b>	5-6' branched 17.80

Ulmus americana 'Valley Forge'	Valley Forge	EZ Bag	5	70'	70'	Broad vase	23.20

**To the Trade**

**Acknowledgement:**

Orders are acknowledged upon receipt beginning May 1st. Orders will be confirmed according to booking policy, subject to crop development.

**Booking Policy:**

**Orders placed by July 15th will be confirmed in early August from total inventory. Orders placed after July 15th will be confirmed from remaining stock available.**

**Prices:**

Prices herein are for the trade only and cancel all previous prices offered by us. Prices are quoted in US dollars and are subject to changes without notice.

All prices, F.O.B. Boring, Oregon.

**Royalty:**

A royalty fee on Registered, Patented, and Trademarked trees will be assessed in addition to the unit price in our catalog. If any tree has a royalty, and the fee is not listed in this catalog, the royalty will be billed and customer must pay.

**Terms:**

Thirty days Net from Date of Invoice unless otherwise arranged at time of sale. *Discounts are applicable only when the terms are met.* Cash or satisfactory references required before shipment from those unknown to us. *Interest charges at 2/3% per month or 8% per annum on all Past Due accounts, unless other arrangements are made prior to shipment.*

**Grade Substitutions:**

Grades are subject to growth, grade may change 1 (one) size without notice unless arranged in advance.

**Minimum Order:**

A minimum order of 300 trees or more would be our desire. This would allow the best possible freight rate on a combination load.

**Cancellations:**

All cancellations must be submitted in writing before October 15th. Cancellations after this date are subject to a 10% cancellation fee.

**Please let us know before October 15th as we need to adjust our digging schedule.**

**Shipping:**

No charge for packing truck loads. We pack all of our stock with the greatest of care and our responsibility ceases when the stock is delivered to the carrier. We are not liable for delays in transit.

**Invoicing:**

Invoicing of freight charges is separate from nursery stock invoicing. Federal ICC regulations dictate payment within 7 days of freight invoice. Our truck brokers provide a prepaid freight service on the assumption that ICC regulations will be observed.

**Claims:**

Claims for incorrect counts, breakage, or unsatisfactory material must be made within 10 days from receipt of shipment. *Suspected damage or delay while in transit should be noted on the delivery bills of lading, and claims filed immediately with the transportation company,* as our responsibility ceases upon delivery of stock in good condition to the carrier. Claims regarding disease or mortality should be reported upon suspect and no later than June 15th following the date of delivery. We will gladly entertain such reports and make satisfactory adjustments when claims are substantiated. We shall in no case be liable for any sum greater than the amount originally received in stock.

**Guarantee:**

We give no Warranty, expressed or implied, as to the life, description, quality, productiveness or any other matter of any nursery stock, seeds or plants that we sell. It is mutually agreed that our total liability for any error, should stock prove untrue to name as labeled, shall be limited upon satisfactory proof, to our replacing free or refunding the purchase price thereof. We accept all orders subject to crop conditions, errors in counts, and with the understanding that the same shall be void should injury befall the stock because of hail, fire, frost or other causes beyond our control.

**Volume Discount:**

Discounts are applicable only when invoice payment terms are met; past due accounts are not eligible for discount allowances.

1-Year	2-Year	Discount	1-Year	2-Year	Discount
400	200	2%	4000	2000	18%
800	400	4%	4500	2250	20%
1200	600	6%	7000	3500	22%
1600	800	8%	9500	4750	24%
2000	1000	10%	13000	6500	26%
2500	1250	12%	17000	8500	28%
3000	1500	14%	20000	10000	30%
3500	1750	16%			

**Combination purchases:** two 1-year equal one 2-year. 1-year trees: whips, 1-year branched and shrubs.

Thank you for allowing us to be part of your business. We appreciate your loyalty and friendship over the years. Where we can improve our service, we encourage you to communicate with us. We wish you continued success as we move into another season.
